Allowable Subject Matter

Claims 1, 24-5, 7-12 and 14-31 (are renumbered 1-28) allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination does not fairly suggest the claimed invention for program write control apparatus and method which suitably controls writing to rewritable storage means storing a control program for operating a finisher provided in an image forming apparatus. Specifically claims 1, 11, 21, 27, 30 and 31 are directed to transferring the write control program for writing the second control program stored in the first storage to the second storage to the second CPU let alone executing such a write control program by its second CPU. Therefore, the claim invention improves and advantageous over conventional technique, to rewrite the control program the flash ROM and to avoid loss of data while starting a rewrite operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
